extracts and evaluates the core principles of corporate governance gives context to the principles through discussions and
explanations from selected case studies and real life examples of corporate governance

with the commencement of economic reform in china and the subsequent dramatic growth in its economy and of private
enterprise both chinese and foreign the company law of china has become of great importance in this pioneering and
comprehensive study gu minkang provides a clear picture of the major topics of china s company law based on his wide
knowledge of chinese american and european union law he adopts a comparative approach to enhance his analysis and to
strengthen his readers understanding book jacket

offers comprehensive coverage of the key topics and emerging themes in private sector corporate governance

with the increasing interdependence of global economies international relations are becoming a more complex system through this the growth of any economy is dependent upon the ease of business transactions however in recent times there has been a growing impact of corporate insolvency law corporate insolvency law and bankruptcy reforms in the global economy is an essential reference source that discusses the importance of insolvency laws in the financial architecture of emerging economies as well as its fundamental issues featuring research on topics such as business restructuring debt recovery and governance regulations this book is ideally designed for law students policymakers economists lawyers and business researchers seeking coverage on the jurisprudence and policy of corporate insolvency law in a globalized context

insolvency law reform has become a subject of public urgency in many countries in the past two decades and particularly in much of asia over the last ten years this volume provides an overview of insolvency laws and related rules and procedures in the countries of east asia the book comprises two introductory chapters dealing with issues such as legal culture and cross border insolvency before examining the fourteen principal jurisdictions in the region each chapter addresses the key themes of different insolvency regimes such as the legal system and culture personal insolvency laws corporate insolvency rules court based schemes of arrangement winding up procedures liquidators enforcement and offences this title will be an invaluable guide to academics practitioners and policy makers working in the areas of comparative and commercial law

scientific essay from the year 2008 in the subject law comparative legal systems comparative law grade high distinction the university of adelaide language english abstract a corporate rescue generally speaking the corporate rescue process and the liquidation procedure form the two basic columns of a modern insolvency regime 2 whereas the australian legislator expressly implemented these two procedures the german legislator codified a uniform insolvency process an effective corporate rescue procedure is a cornerstone of a prospering economy economical value is closely connected to the risk of economic loss therefore economic growth will only be sustainable if investments are supported by safeguards donated by effective insolvency regimes not only focussing on a fast liquidation but also on the reorganisation or rescue of a company only the careful balance of creditors rights and the entrepreneurial spirit of the debtors ensure attractiveness for investments 3 b comparative approach this essay is focussed on the administrator as point of comparison because his role in the process significantly reflects the principles of the underlying corporate rescue regime in both countries australia and germany the administrator is a relatively influential organ the essay will show that the role of the german administrator is much more influenced by the court than in australia the essay s goal is to examine selected issues concerning the australian and german administrator after presenting the different roles in the australian and german corporate rescue process the essay will critically review the role of the administrator in both regimes in order to examine the effectiveness of the process from a comparative point of view 2 see united nations commission on international trade law legislative guide on insolvency law 2005 14 recommendation 2 3 united nations commission on international trade law see above n 1 11
